

## PLDA Workshop in Panaji, Goa/IND – 2011

### Workshop conditions

I \_\_\_\_\_  
understand that my participation in the PLDA Workshop in Panaji, Goa/IND 2011 may require me to carry out some or all of the following activities in the exterior and interior environment:

- Working at height
- Rigging electrical equipment including luminaires, lamps and associated equipment
- Carrying heavy objects
- Handling cables, plugs and other electrical equipment including making connections
- Working in water
- Working in prevailing weather conditions
- Working during daylight hours and after dark
- Working on the public highway
- Working long hours
- Working on prevailing terrain
- Other activities associated with the design and installation of temporary lighting schemes

I have been informed about the above risks and undertake to exercise all due care and diligence to ensure that I do not cause harm or injury to myself or others during the course of the workshop.
